

# Art & Technology 2010 Application Form

---

Fill in all the necessary items, and send the form by e-mail it.

Realms of works

Change one of the squares below to . If you do not tell where your work belongs, you may skip this section.

The committee will set where to go.

[1] Interactive work realm

In the Works Exhibition, I will give a presentation and demonstrate my work. I will not.

[2] Non-interactive work realm

[3] Digital technology realm

In the Works Exhibition, I will give a presentation and demonstrate my work. I will not.

(Note 1) For interactive works, it is advisable to give a presentation and demonstrate your work in the Works Exhibition held on June 5, 2010.

(Note 2) Still images are required to be prepared in standard electronic files (JPEG), whose size is required to be 1024x768 pixels or smaller. Basically e-mail the files. If you mail the printed matter of the image (in A3 size or smaller) to the committee, we will exhibit it.

(Note 3) For moving images, DVD (video), MPG or WMV data files are available. Each file must be no longer than five minutes.

(Note 4) For digital technology works, comply with the notes from 1 to 3 according to the format..

Work title

Applicant
